2017-2026

**Nearshore restoration**

2022 & 2024

**Beach Nourishment & Revegetation**

Ongoing ...

**Harbor Clean-up**

# ELWHA EAST & WEST: DYNAMIC SYSTEMS & MONITORING EYE-DEAS

- Beach walker outreach
- Bird surveyor reporting mechanism
- Permitting ... do we need to drop after 3 years?

# CLINE SPIT: BEYOND MONITORING

## CORE GOAL

**Project purpose is to support habitat conservation**

## OPPORTUNITIES FOR ACTION

- **Beyond Monitoring:** What else can we do to support this goal?
- **Outreach & Advocacy:** Identifying and meeting critical needs

# WE'D LOVE YOUR HELP! COME JOIN ANYTIME

- Let us know if you're interested in being looped in to sampling schedule
- **Learn more:** Forage fish workshop (April 27th) presenter slides linked to meeting agenda

FF & their habitats are declining elsewhere in Puget Sound; we have healthy systems here and need to protect them ...
